

One Picnic Basket

One picnic basket has two big apples, three big peaches for a start;
four big helpings of five small pancakes, six sliced lemons, very tart.

This picnic basket has seven sweet pickles, eight sour sour pickles, take your choice...

nine cucumbers of unpickled variety, ten big tomatoes, “very noice”.

There’s eleven big eagles, twelve plump dates, thirteen raisins, tough and dried,
fourteen handfuls of fifteen peanuts.. you couldn’t beat it if you tried!

Just a wicker basket with one big blanket, two jugs of cocoa, very dark,

One picnic basket so stuffed full of numbers,
let’s head to the park!
