

Walkin' on the Line

words: Burchie & Matt / music: Burchie

I'm walking on the line, takin' it easy, takin' it slow,
doin' it right- -heel to toe.

I'm learning to balance. I can walk it backwards too, but
I like walking' on the line to you.

I'm walking' on the line, sometimes skipping,
sometimes real slow, always careful as I go.

Sometime the line's a circle, leads me round and round.
Sometimes it's straight and true.
Sometimes I get dizzy and fall right to the ground,
but I like walking' on the line to you.

I'm walking on the line, takin' it easy, takin' it slow,
doin' it careful, heel to toe.
Sometimes I'm clumsy, sometimes I fall off that line.
I'm finding my balance, it's something I'm learning to do.
I like walking' on the line to you.
