

Practical Life

words: Matt /music: Burchie

Everyday Living has spooning and pouring
learning to cut butter with a big butter knife.
Grinding and sewing are in Everyday Living.
My work's in Practical Life.

Everyday Living: buttoning, snapping, and zipping,
screw-driving in screws, and ham-hammering on nails.
I find my meaning in Everyday Living.
My work is Practical Life, oh, my work is Practical Life.

Everyday Living has squeezing out sponges,
learning to cut celery with a big butter knife.
Stirring up bubbles is in Everyday Living- - my work is
Practical Life.

Everyday Living: buttoning, snapping, zipping,
screw-driving in screws, and ham-hammering on nails.
I find my meaning in Everyday Living.
My work is Practical Life, oh, my work is Practical Life.
