

# The Fishes Song

words: Matt / music: Burchie

If you lived in the water and could have one wish  
I bet you'd wish that you could be a fish.  
Flip your fins, swim rings around whales, breathe through gills  
and flash your scales. Im a fish, I'm a fish- you know I got my  
wish.

I'm a fish, I'm a fish, I'm a fish.

Could be a pickerel, could be a pike,  
could be any kind of fish I like.

Could be a tuna, could be a trout,  
could be a shark, but there is no doubt.

I'm a fish, I'm a fish, you know I got my wish.

I'm a fish, I'm a fish, I'm a fish.

Some swim alone some swim in schools, some up wild rivers  
some in deep pools.

Sturgeon, marlin, tarpon, cod—  
some of us are beautiful and some of us are odd.

I'm a fish, I'm a fish—you know I got my wish.

I'm a fish, I'm a fish, I'm a fish.
